Dear Assemblymember Nancy Skinner:

I am writing to thank you for your continuous support of affordable homes. As an affordable housing resident myself, I am thankful that I can afford to live in a secure home. A truly strong community is based on safe, stable, and affordable housing for low income families, seniors, and people with special needs.

We ask for your commitment to save redevelopment or at the very least save the same level of funding for affordable housing. These policies can then continue to meet the needs of hundreds of thousands of low income Californians.

I would like to share with you how my home has changed my life.

Thank you again for being a champion for affordable housing.

Sincerely,
